

GasLINE convinces!

Discover our attractive benefits.

GasLINE | Always well connected

GasLINE has been one of the most efficient fibre optic infrastructure providers in the telecommunications market for over 25 years. The nationwide fibre optic network has a route length of over 42,000 km and is still being dynamically expanded. A further 5,500 km are planned by 2027. The GasLINE brand stands for convincing quality in the infrastructure market, which is made possible by the strong commitment of the team, among other things. Translated with DeepL.com (free version)

At GasLINE, you can actively shape the digital future.

GasLINE is looking for people who are enthusiastic about working on one of the most important topics of the future: the expansion of the fibre optic infrastructure. If you are looking for something new and want to dedicate yourself to a meaningful task, then you have come to the right place.

On the platform for employer reviews **kununu**, the ratings from employees and applicants speak for themselves.

Work-life- balance

We support you in harmonising your professional and private life.

With flexible working hours, you can organise your day according to your individual needs. Our mobile office scheme gives you the flexibility to work in the office two days a week.

We also support young families in the new phase of their lives after the birth. With our one-month paid time off scheme, you can concentrate fully on your new role as a parent without financial worries.

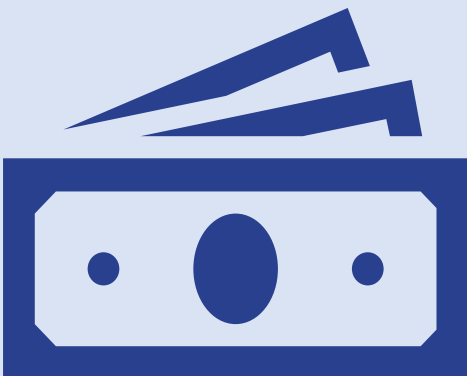

Attractive compensation

With our fair compensation, we emphasise appreciation and recognition of our employees' performance.

In addition to the monthly salary, we offer a bonus payment in June.

Furthermore, our company pension scheme with employer contribution allows you to effectively expand your pension provision.

Modern working environment

The workstations at GasLINE are equipped with height-adjustable desks and large screens. Our modern premises with high-quality equipped workstations offer an inspiring environment for productive work and creative exchange. Our meeting and conference rooms are also characterised by state-of-the-art presentation technology.

Our quiet room also offers a valuable retreat for our employees.

Further training

Our training programmes enable you to continuously expand your professional skills and develop personally. We invest in your future through workshops and training that will help you achieve your career goals.

Whether it's technical knowledge, leadership skills or soft skills, we offer you the support and resources you need to realise your full potential.

Mobility

Our comprehensive mobility programme offers you numerous benefits to make your commute to work flexible and sustainable.

You benefit from subsidies for electric cars or public transport as well as the opportunity to choose from a wide range of (e-)bicycles as part of the bicycle leasing programme, which you can also use privately at any time.

We also offer free parking spaces for our employees and excellent transport links, enabling you to get to work easily and without stress.

Health and well-being

GasLINE prioritises the well-being of its employees. We offer a wide range of services to promote the health and well-being of our employees, including preventive measures, health promotion and support in overcoming health challenges. We actively promote physical and mental health through regular health checks, ergonomic workplace design and stress management workshops.

You also benefit from our partner EGYM WELLPASS with comprehensive membership of sports and wellness centres throughout Germany.

Joint events

Our collective events at GasLINE are an integral part of our corporate culture and offer a great opportunity to strengthen our team and experience unforgettable moments together.

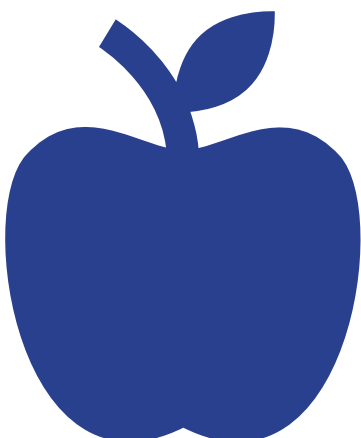

From exciting challenges such as the Mud Masters at Weeze Airport, football tournaments to a joint visit to the Christmas market in Essen - we create shared experiences that promote cooperation.

Catering

Our canteen in Essen not only offers a varied selection of healthy and balanced meals, but also places great emphasis on regionality and freshness.

You also benefit from an attractive meal subsidy at our location in Straelen. We also offer our employees free fruit, vegetables and hot and cold drinks.
